

Motor Scavenger Hunts

This is a fun activity to grab and go for kids to move, scan, identify and have fun!

- 1. You can print them all off and laminate them to reuse them as needed**
- 2. You can print them off one at a time as you need them**
- 3. You can add your own activities or make up your own items to find**
- 4. The idea is to have fun with movement and work on visual scanning or other skills!**
